

WORLD AQUACULTURE Society

Why exhibit at World Aquaculture Tanzania 2026?

- Showcase your latest products, technologies, and services in the aquaculture industry
- Engage and network face to face with aquaculture leaders, professionals, innovators, researchers, policy makers etc.
- Establish new partnerships, take advantage of this future-focused business event to form new alliances and connect with new partners.
- Boost your brand's visibility on site and through the WA26T's strategic communication platforms.
- And much more....!

Don't miss the chance! Be part of the journey of empowering African and global aquaculture farmers and professionals with transformative products, technologies, services and solutions. Book your exhibition space for WA26T today, connect with nearly 2000 Conference attendees and be part of the driving force for sustainable aquaculture development in Africa!

Please contact the Trade Show Manager, Mario, at mario@marevent.com to reserve a booth and to receive an Exhibitor Manual with all Exhibit details.

About 120 exhibition booth slots are available. Booth assignments will be made on a first-come, first-served basis.

Reserve their booths early to secure the best spot!
