

CAA TOURS

FEBRUARY 28 (9:00AM – 12:30PM): MORNING LEON RAYMOND, JR., MARINE FISH HATCHERY TOUR

Summary: A two hour, behind the scenes tour of the Leon Raymond, Jr., Marine Fish Hatchery located in Carlsbad, California. This unique Hubbs-SeaWorld Research Institute facility, which was built in 1995, is the home base for their white seabass stock enhancement program. Tour participants will see all aspects of this working marine fish hatchery including broodstock holding, early larval rearing, and juvenile production systems, as well as tagging operations. The tour bus will leave the conference site at 9:30am and will return at 1:00pm.

Guests: Up to 54.

Time: 3.5 hours (9:00am – 12:30pm).

Price: \$75 per person.
