

SESSIONS AT A GLANCE BY SCHEDULED TIME

Wednesday, July 3

Freshwater Aquaculture	13:50	17:20	Crystal 5
Sea Cucumbers and Sea Urchins	13:50	17:20	Diamond 5
Sustainability of the Shrimp Industry - Perspective of a Multispecies Animal Genetics Group Sponsored By: Blue Genetics	13:50	17:20	Crystal 1
Shrimp Diseases and Health Management	13:50	17:20	Crystal 3
Larviculture, Live-feeds and Hatchery Management	13:50	17:20	Diamond 1
Aquaculture Engineering, Waste Recycling and Treatments	13:50	17:20	Diamond 3
Nutrition, Feed Ingredients, Feed Additives and Feed Technology	13:50	17:20	Ballroom
Economics, Value Chain Development, Marketing and Trade, Investment, Policy and Regulations.	13:50	17:20	Diamond 4

Thursday, July 4

Information Technology in Aquaculture	09:00	10:40	Diamond 5
Freshwater Aquaculture - continued	09:00	10:40	Crystal 5
Shrimp Diseases and Health Management - continued	09:00	12:20	Crystal 3
Aquaculture Engineering, Waste Recycling and Treatments – con't	09:00	12:20	Diamond 3
Broodstocks, Breeding, Genetics and Domestication	09:00	17:20	Crystal 1
Blue Economy	09:00	17:20	Diamond 4
Shrimp Farmers' Day	09:00	17:20	Ballroom
Nutrition, Feed Ingredients, Feed Additives & Feed Technology-con't	09:00	17:20	Diamond 1
Food Safety, Inspections, Audits, and Security	11:00	12:20	Crystal 5
Immunology, Vaccines, Probiotics, Prebiotics, and Synbiotics	11:00	15:40	Diamond 5
General Aquaculture	13:40	17:20	Diamond 3
Disease Diagnosis, Drugs, Chemotherapeutics & Treatment Methods	13:40	17:20	Crystal 3
Aquatic Animal Welfare 2024	13:40	17:20	Crystal 5
Bivalves, Crabs and Lobsters - continued	16:00	17:20	Diamond 5

Friday, July 5

General Aquaculture - continued	09:00	10:20	Diamond 3
Broodstocks, Breeding, Genetics and Domestication - continued	09:00	10:20	Crystal 1
Bivalves, Crabs and Lobsters	09:00	12:20	Diamond 5
Shrimp Farm Design and Management			
Blue Aqua International	09:00	12:20	Crystal 5
Microalgae-Bacteria Valorization 2: Production to Application	09:00	12:20	Diamond 4
Disease Diagnosis, Drugs, Chemotherapeutics and Treatment Methods - continued	09:00	12:20	Crystal 3
Macrophytes and Algae	09:00	15:40	Diamond 5
Aquaculture Systems (Integrated Aquaculture, RAS, Biofloc, Aquaponics).	09:00	15:40	Diamond 3
Shrimp/Prawn Nutrition and Feeds	09:00	17:20	Diamond 1
Women in Aquaculture	11:00	12:20	Crystal 1
Water Quality, Usage and Management	13:40	15:40	Crystal 5
Ornamentals Fish and Systems	13:40	16:00	Diamond 5
Epidemiology and Health Management	13:40	17:40	Crystal 3
Environmental Problems, Biodiversity, Climate Change, and Adaptations in Aquaculture and Fisheries	13:40	17:40	Crystal 1
Education, Extension and Technology Transfer	16:00	17:40	Crystal
